## EODB Improvements: TAC SSOT

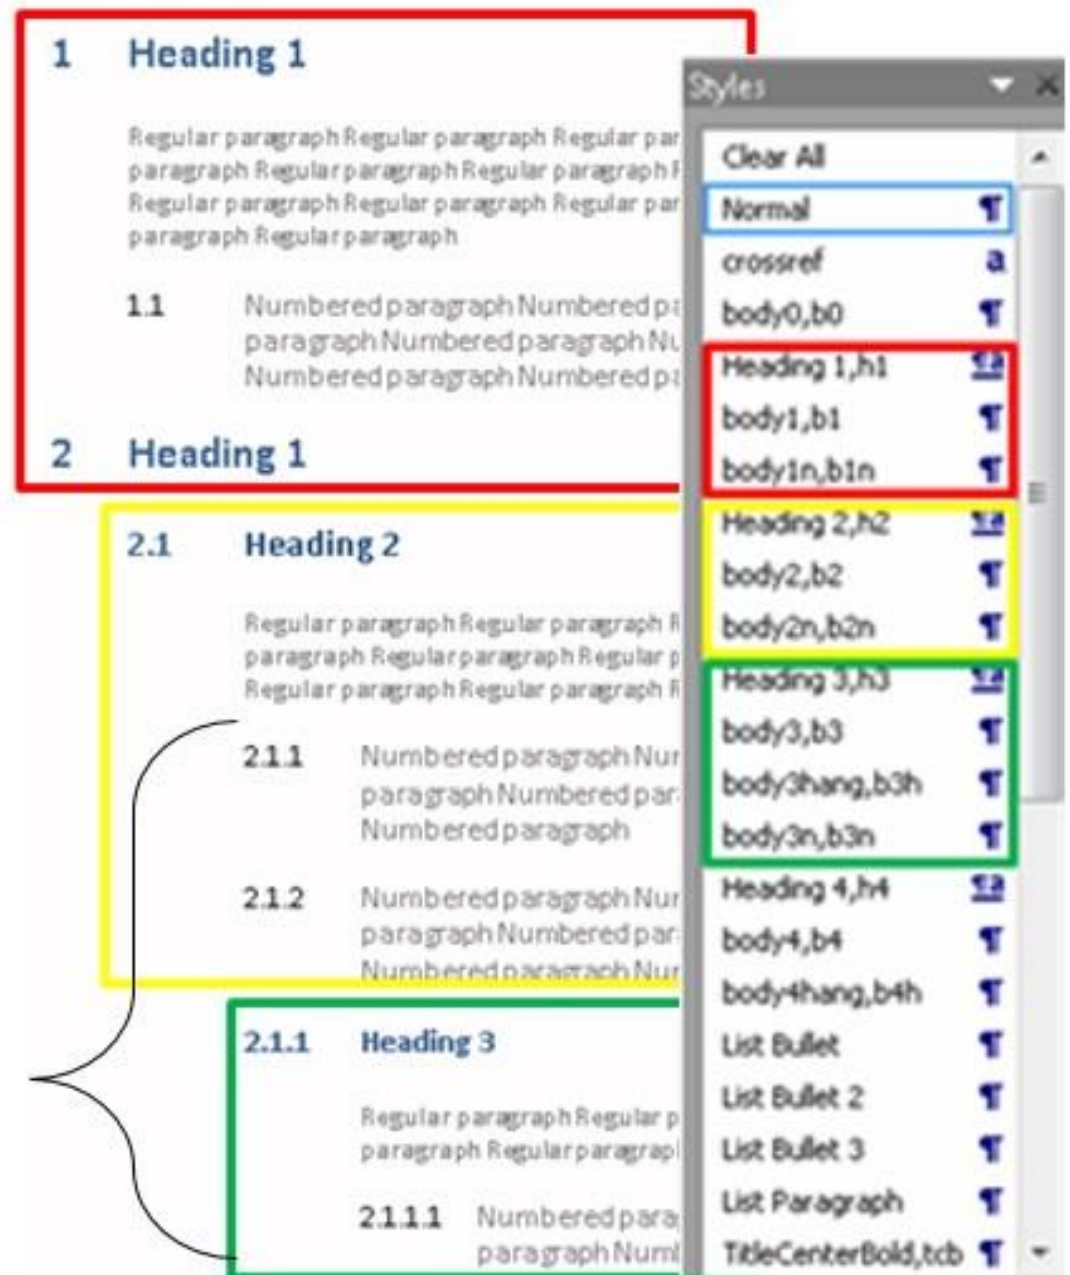

- Review dates staggered
- Consistency across the board
- OFI addressed

# Template Upgrade

- Numbered paragraphs more stable\*
- Styles presented in logical order

\* Numbered paragraphs now play better with the numbered headings – up to a point

The screenshot displays a document template with a hierarchical structure of headings and paragraphs. The 'Styles' panel on the right lists the styles for each level, showing a logical order of styles for each heading level.

**Document Structure:**

- 1 Heading 1** (Red box)
  - Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph
  - 1.1** Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph
- 2 Heading 1** (Red box)
  - 2.1 Heading 2** (Yellow box)
    - Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph
    - 2.1.1** Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph
    - 2.1.2** Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph
  - 2.1.1 Heading 3** (Green box)
    - Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph Regular paragraph
    - 2.1.1.1** Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph Numbered paragraph
